STAT

I have received your vita and letter of 21 October 1984 applying for our History Staff opening.

As our advertisement in Perspectives noted, we are looking for a Ph.D. in recent history (preferably U.S. diplomatic or military) to fill this opening. I have to report that your qualifications do not appear to match our needs as closely as do those of some of our other applicants. I am grateful for your interest, and sorry that we cannot consider you further for this position.

With all good wishes,

Yours sincerely,

STAT

J. Kenneth McDonald
Chief Historian
